This graduation will have a record breaking number of participants. The previous high was 23 students in 2003. Steve An, ABCKE Vice President will deliver the graduation message. **ABC Promotion**

ABC would like to create a series of short films for use at youth events, particularly FUEL, to use to attract new students. One of the planned films is “An Honest Look at the Spiritual Life,” in which we hope to gather open, honest answers from students, staff, and faculty about spiritual matters. If you are willing to take part, please contact [Jon Cheatwood](#) by Monday, May 17. We plan to film you answering the following questions:

- What does personal, spiritual time look like for you?
- What do you do to become more spiritually alive?
- What do you do outside the classroom for spiritual growth?
- How has ABC been a part of this (or facilitated your spiritual growth)?
